### Regular Maintenance Keeps Your System Running At Maximum Efficiency

Preventative Maintenance has an inherent return on your investment. Our Preventative Maintenance Plans will reduce your overall HVAC operating costs and performance. Your system will run more efficiently, giving you more cooling and heating capacity at lower power consumption. Preventative maintenance will also increase the life of your system. Ultimately, you can expect a lower total cost of ownership by implementing a Preventative Maintenance Plan:

#### Bronze Plan - \$250.00

- 1 Year Agreement
- 2 System Tune Ups
- Service within 24 hours
- No Overtime Charges
- Free Air Filters
- Preferred Customer Pricing
- \$100.00 off New HVAC System Install

#### Silver Plan - \$460.00

- 1 Year Agreement
- 4 System Tune Ups
- Service within 24 hours
- No Overtime Charges
- Free Air Filters
- Preferred Customer Pricing
- \$200.00 off New HVAC System Install

#### Gold Plan - \$750.00

- 2 Year Agreement
- 8 System Tune Ups
- Service within 24 hours
- No Service Charges or Overtime Charges
- Free Air Filters
- Preferred Customer Pricing
- \$300.00 off New HVAC System Install

#### **Terms and Conditions:**

1. Advanced AC & Heating guarantees our parts and labor for 30 days unless noted otherwise.
2. Any additional service work required beyond the Preventative Maintenance Appointment(s) will be billed per plan Preferred Customer Rates.
3. All Preventative Maintenance Contracts will be automatically renewed unless either party cancels this agreement.

#### **Acceptance of Maintenance Agreement:**

I agree with the above agreement and acknowledgment that the cost of the Preventative Maintenance \_\_\_\_\_ Plan total of \$\_\_\_\_\_. I understand that this agreement will continue and automatically renewed at the end of agreed plan unless otherwise directed by myself or Advanced AC & Heating. Please call to schedule your first System Tune Up or mail form and payment to Advanced AC & Heating 36 Eglin Parkway SE Fort Walton Beach FL 32548 and we will contact you to scheduled your first System Tune Up.
